**FROM the DESK of the RIPLEY TOWN HISTORIAN****by Doc Hamels**

An historical tale

Some time ago I received an email from a gentleman from another state who reported that he used to clean out garages, attics, houses and basements as a business. Many years ago he had come across a cache of letters, paperwork, ads and other sorts of papers that belonged to a family in that state who was related to a family he thought perhaps here in Ripley. He held this collection of odds and ends for some 30 years in his basement, then in a storage unit and finally in his breezeway. He admitted that he was mostly interested in the old stamps that many of the envelopes still had on them. As he grew older, he realized that he had a family's history in his possession and would try to get them home.

In his email, he wondered if I would be interested in these documents. Of course I did and agreed to meet him at a mutually acceptable location. I met him over lunch and then later he proceeded to open the back of his pickup truck and my eyes opened wide when I saw what would be 3 very large bags of "stuff". When I got things home I was pretty excited to look through them. Well, the first thing I noted was the odor. Mildew!!! Then I observed spiders, ants, silver fish other crawling things had taken up residence in these piles. This was going to be a bigger job than I had anticipated.

Slowly I have been drying out portions of this huge collection. In most cases there are cards for birthdays, the holidays and get wells. But then, I have found items from early as 1862! Ads for old stoves, clothing, cars and medicines. Paperwork that shows mercantilism that was prosperous here in Ripley in the late 1800s and early 1900s. Sadly, I found records and correspondences of a soldier who went off serve in WWI from Ripley who never returned.

Some of the items are in pretty good condition, once they dried out. Others were way beyond saving. The message I have here is that please consider protecting any documents, letters, favorite cards, etc. that you may have in your possession. These all tell the story of your family as well as your hometown. Keep them dry and away from any critters that like to chew on paper. I'm 2/3 of the way done conserving this collection. My estimate when I'm through is there will be around 3000 pieces. Multiple generations of artifacts telling their day to day stories to each other and now for the local Ripley family to read once I'm done.

[Please note: The family and I have been in contact once I determined the connection to the collection and we are in agreement as to how I am handling things. A small fraction of the items will be kept on loan in the historian's office area for display and the rest will go to the family to enjoy.]

## From the Director's Desk

**Rhonda Thompson**

Hello everyone and greetings from the library. Summer has finally arrived! Kids are out of school and we are getting ready for Fourth of July celebrations. This is a very busy time of year for everyone. We try to get so much done in just a couple of months' time.

We are also busy here at the library as well. This is the month of our Summer Reading Program. I know the school has Eagle U and The Hut starts up soon, but we also offer things to do. Children can actually do all three programs this summer. The Library program is designed so kiddos can do some things on their own. We have on-site activities as well. The activities are designed to be entertaining as well as educational. Please be sure to sign your children up for this all-important program. Bear in mind we also have an adult summer reading program. We find fun things for us to do along with reading.

Another new event we are doing at the library is a food give-away. This is through Cornell Cooperative Extension. So far this has been so successful that we have run out of boxes. We are allotted 100 boxes per week. I know we could use more, but I am happy we can get that many. This is a pilot plan using an idea of Farmers to Libraries. Cornell is working to bridge some gaps in the areas of food deserts.

This is a way to get wholesome produce to the areas where we do not have access to it. Please participate and if we run out of boxes, please try again the following week.

Something else we are doing this month is Hands Only CPR class. This is being done on July 16<sup>th</sup> at 6pm. If you want to learn some life saving techniques, then it is important to come to this. There will be more classes as they are needed. There is one where there is a cost in order to be certified. We cannot do anything about the cost. Come to the classes and learn more.

Remember, as always, if there is an event or program you would like to see, let us know and we will see what we can do about getting it in for you. This is your library, so let us know what you need. If there is a way to make it happen, we will certainly try.

Until then, See you at the library.

Thank you to those who turned out for the library budget vote. The new budget passed overwhelmingly!

A huge shout out to

**Linda Probst!**

Among her other volunteer projects, Linda, along with her husband Mike, worked on the library landscaping, pulling weeds, planting, and watering, all during those sweltering 90 degree days in June. Thank you Linda! You are SO appreciated!

**Wonderful People in our Community**

Hello Community!

I want to give a shout out to **Pizza on Main**. They are so wonderful, helpful and giving to the community. They have made our job at the library much easier for us over the years. Recently they allowed us to keep the ground beef for the free food boxes overnight in their freezers. They donate pizza to us for the end of our Summer Reading Program, they contribute to our plant sale and so many other things. Please remember to support them, as they really go out of their way to support our town. THANK YOU PIZZA ON MAIN!!!!

Rhonda

### Be a Library Supporter!

Have you ever looked at the advertising supporters at the end of this newsletter? Each of these businesses or individuals has committed to donating \$5 a month to help support the Ripley Public Library and our newsletters. This is a mere \$60 a year to help maintain the services your library provides! These services include, but are not limited to: supporting our local authors by inviting them to speak about their books; nutrition classes twice monthly from Cornell Extension; an expanded area for the little ones to play and explore; WIFI and computer access for all ages to entertain, learn, and research; group gatherings to sew, quilt, knit, crochet, create diamond art; learning opportunities through speakers; book club to read and share ideas about new and classic books; hosting craft and vendor fairs as well as the annual plant sale; book bundle service where you name the interest and the clerk will find books for you; and opportunities for young people with LaunchPad learning games.

Most of these programs are free. You don't NEED to pay to use any of the programs or to attend these events. But it sure would help if you showed your appreciate by giving a small amount from your budget. The library budget is small. The impact on the community is big. Please help.

A \$5 per month donation will give you space for a personal message or business card in The Bookworm, letting people know you are helping to make our library great!

You can scan a business card or write a message and send it to:

thebookworm14775@gmail.com and checks can be made to Ripley Public Library, P.O. Box 808, Ripley, NY 14775. Call the library at 716-736-3913 to arrange drop off.

What is a Safe Place Location, you might ask. A Safe Place works with the Safe House out of Jamestown and is part of Chautauqua Opportunities, Inc. This is a program for runaway or homeless youth under the age of 18. If this youth needs help, all they do is enter the facility displaying the yellow sign that reads SAFE PLACE. They let someone in charge know they need help.

Stop into the Library for more information or pick up a brochure.

**Community Table**

The Ripley Public Library welcomes community groups who would like to set up a table in our lobby to promote their business or group. Examples: VFW Poppy sales, Girl Scout cookie sales, as well as distribution of pamphlets or information about your group or activity. The library staff will not be responsible for the manning of these tables, and the table cannot be left unattended. A representative for the table must be present for items to be displayed.

Reservations must be made to establish specific dates and times. There is no cost, it's just our way of giving back to the community. 716-736-3913
