FROM the DESK of the RIPLEY TOWN HISTORIAN

by Doc Hamels

Open letter to the Ripley community from the Ripley Town Historian:

This may seem like an odd request, but I am researching an event that took place here in Ripley on June 3, 1825. It is the very day that General Lafayette entered Chautauqua County at State Line and toured this region as he traveled on his Farewell Tour through New York State. There is a certain newspaper article that was published on June 8, 1825 in the Fredonia Censor. It describes that whole event.

In order for the town to be eligible for an historical marker for this event, I need a copy of this article. Believe me when I say this, I have had a number of others searching for this article with no luck. So, just in case you have an old family bible or scrapbook that just might have this, PLEASE let me know!!! That would make my day for sure!!! Trust me when I say this, I have done enough research on a number of topics, and I have run across items from this era. If you have this item, please contact me at hamels@fairpoint.net.

Thank you for considering this request. Doc Hamels

A Message from your Town Supervisor, Lauree Pless

First and foremost, I would like to sincerely thank all of the residents that supported my candidacy during the November election. I am excited to continue serving as your Town Supervisor for the next three years. I would also like to wish everyone a happy and healthy holiday season. The holidays always bring bittersweet emotions as we celebrate with friends and family while also reflecting on the memories we have with those that are no longer with us. We are certainly fortunate to have a community that makes great efforts to look out for each other and support each other during difficult times. For those of you who may be struggling, I hope you find comfort in knowing that you are being thought of throughout the season.

Shovel Ready Site Updates

The shovel ready site is still on track to being breaking ground in the Spring of 2025. In late October, National Grid, The Industrial Development Agency and I met with property owners that are potentially impacted by the electrical upgrades needed to complete the project. The meeting was very well attended and the discussion was very productive.

ONVO Travel Center on Shortman Road

The plan to develop a travel plaza at the spot where the Lion's Den is currently located is still on track to begin in the Fall of 2025. We continue to work closely with ONVO as well as local agencies and County agencies in an effort to keep the process moving forward.

Zoning Grant update

The town is still waiting to find out if we will be awarded the grant funds from the State to conduct a zoning study for the town. The zoning study will help us determine if our current zoning maps need to be updated or modified to better serve our residents and businesses in the area or looking to expand to our area. We hope to be notified as to whether or not we will be awarded these funds by the end of this year.

Ripley Food Pantry

Please remember that the food pantry will be offering Christmas food boxes to families that qualify for assistance. The date to distribute the Christmas boxes has not yet been set. If you do qualify and have not yet signed up to receive one, please sign up at the food pantry during their regular hours which are Tuesdays from 2:00-4:00PM and Saturdays from 10:00AM-12:00PM.

We can't thank our community enough for the overwhelming response to our annual fundraiser, The Harvest Dance / Chili Cookoff / raffle! Thank you to all who donated, purchased tickets, entered the chili contest, and to all who joined us for a fun filled evening! We appreciate the support of each and every one of you!

Congratulations to our chili cook-off winners! Pam Smith- 🥇 1st for the 4th year in a row, Dexter Gordon- 🥈 2nd place, and Jacob Lawrence- 🥉 3rd place. This year we had 14 chili entries! Thank you to all those that entered.

Please join us in congratulating our newest NYS certified EMT, Rob Galbraith! Rob completed 190 hours of classroom instruction and passed his practical! We are so proud of you, Rob! Ripley now has 9 EMTs and 1 Paramedic to help serve our community!

On November 21, 2024, Rob Galbraith, Firefighter and EMT, testified at the Federal level in front of the OSHA panel! He did an exemplary job representing Ripley and defending volunteer fire departments' opinions that the newly proposed OSHA rules would severely cripple small departments like Ripley Hose. We have never been prouder to be members of the Ripley Fire District! Well done, Rob, and THANK YOU for speaking on our behalf!

Congratulations to 2nd Assistant Chief and EMT, Lisa Babcock, for completing the National Certification class/test for Fire Officer 2! This was a 40-hour course, which commenced with a 5 1/2-hour National Certification test! Fire Officer II course builds on the skills learned in Fire Officer I. Additionally, students begin to examine the functions of a “Managing Fire Officer.”

Lisa also completed National certification for Fire Department Incident Safety Officer this past September. This was a 24-hour, 6-skills course, commencing with a final written test.

Elections for Ripley Fire Commissioner will be held on **Tuesday, December 10, 2024, at Ripley Hose Company #1, from 6:00 PM – 9:00 PM.** This is a public election. Please come out and vote at the fire hall. Please check out our new electronic sign in front of the fire hall for more details.

Fire District Commissioners are the 5 publicly elected officers that make up the Ripley Fire District Board. The board is like the Town Board in that it receives, and is responsible for, the fire tax money collected from your property tax bill. These tax monies cover the operating expenses of the Fire District, Ripley and South Ripley.

ANY Ripley resident who is registered to vote can vote in this election.

There are three people on the ballot, running for two positions this year: Bruce Utegg, Mark Dickey, and Paula Testrake.
